1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am a customer of TCWS and live in Tega Cay.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

At this point in my life, I have lived in Raleigh NC, Alexandria VA, and now Tega Cay SC. Before the rate increase, Tega Cay Water Services charged more than double the rates of any other place that I previously lived. An increase of 66% for sewer services and 18% of water services is absolutely unacceptable. Should any other company in any other service industry propose such an increase, I would merely choose a different provider. Due to this particular service sector, obviously that is not an option. However, that does not allow the service provider (TCWS) to profit mercilessly due to the lack of competition. In an attempt to prevent such an increase, I am protesting via this letter.

Thank you for your consideration,

Kevin Joyner

3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? *
